2006 NAPA VALLEY CHARDONNAY

“Today’s Recommended Wine”

Patz & Hall 2006 Napa Valley Chardonnay

“To end a string of exceptional Chardonnays from Patz & Hall, this one is sourced from five top vineyards in diverse areas of Napa Valley -- from several sites in Carneros to St. Helena to Atlas Peak and Napa's famous Hyde Vineyard. It's powerful, full-bodied, still tightly wound, and the oak is pretty emphatic. Flavors are loaded with apple and pear, lemon zest and ginger, and spice and vanilla. It's brawny. It can stand up to veal and pork, and most certainly grilled chicken and seafood. Patz & Hall sources all of its wines from top vineyards throughout Napa and Sonoma. This is a lesson in how great Chardonnay should taste.”
