

PATZ & HALL

San Francisco Chronicle

“Buying Guide”

“Here’s a sampling of Pinot Noir from Sebastopol Hills:”

PATZ & HALL 2006 JENKINS RANCH Russian River Pinot Noir

“Medium black-red color verging on terra-cotta; complex nose that is simultaneously mineral, petrochemical, earthy and highlighted with incense; silky, tarry and handsome on the palate with substantial barrel-marking, finishes with ripe fruit and some white pepper.”

-John Winthrop Haeger
