

PATZ & HALL

OnMilwaukee.com

“When I think of great California Pinot Noirs, my first thought is Patz & Hall in Napa Valley...

If I had to describe Patz & Hall wines in one word it would be elegant. Its Pinot Noirs showcase red fruit and spices while the Chardonnays have bright acidity with apple, lemon and soft vanilla and mineral notes. All the wines have a complex artisanal quality with long and pleasantly persistent finishes.”
