## California Grapevine

### 2007 Pisoni Vineyard Santa Lucia Highlands Pinot Noir

“Medium-light to medium purplish ruby; attractive, intense, elegant, complex, spicy, raspberry and bright cherry fruit aroma; medium-full body; forward, rich, textured, concentrated; spicy, raspberry and red cherry fruit flavors with a silky mouthfeel, full tannin; lingering aftertaste. Shows excellent varietal character and is very tempting to drink now, though deserving at least several more years of bottle aging. Very highly recommended.”
