## Ellen on Wine

## Gems In My Glass

“A recent enjoyable trip to Napa Valley confirmed once again the quality and consistency of wines that are crafted by winemakers in this premium wine producing region. Amidst winter rain drenched vineyards and cozy tasting rooms, a host of impressive wines were unveiled.”

## 2007 Hudson Vineyard Carneros Chardonnay

“Enticing aromas of freshly churned butter, subtle oak and minerality lead to a rich, plush mouth filling wine with Asian pear, ripe apple and lemon zest weaving together seamlessly. Stunning acidity holds up the rich fruit layers strikingly, and the finish is bright and persistent.”
