Gems In My Glass

“A recent enjoyable trip to Napa Valley confirmed once again the quality and consistency of wines that are crafted by winemakers in this premium wine producing region. Amidst winter rain drenched vineyards and cozy tasting rooms, a host of impressive wines were unveiled.”

2007 Zio Tony Ranch Russian River Valley Chardonnay

“Stunning aromas of butterscotch and pleasing oak capture your attention and broaden on the palate with crisp green apple, sun drenched peach, candied citrus flavors and a dash of pie spice. Round and viscous mouth feel with layers that unwind handsomely through the long finish.”
